

**30-NIGHT SLEEP
COMFORT GUARANTEE**

When purchasing a HealthGuard Mattress Protector, from one of our RV Care dealerships, we are able to offer you our 30-Night Sleep Comfort Guarantee

Once you have selected your NEW RV Traveler's Choice mattress, and you protect your mattress with our HealthGuard Mattress Protector, you'll have 30 RV nights, from the day that your mattress is delivered or picked up, to experience it within the comfort of your RV to ensure it is the perfect fit for you. If, at any time during this period, you're unhappy with the comfort of your new RV Traveler's Choice mattress, you'll be able to exchange it for one of our other selections, hassle-free, at the same RV Care dealer location that you purchased the mattress OR request a full refund, for the new mattress ONLY. It's just that easy!

All you need to do is call the RV Care dealer that you purchased the mattress from, have your original invoice available for validation and confirmation purposes, and tell them what you would like to do so they can schedule an appointment for you. Drop by the dealership on the provided date and time with the new mattress. (You do need to keep the mattress free from transportation damages, otherwise the exchange and/or refund can be declined by the dealer.) The refund and/or new mattress exchange must be requested and confirmed by the dealer within the 30 days, as stated on the invoice. No exceptions will be accepted.

The purpose of requesting the purchase of a HealthGuard Mattress Protector, is to protect the integrity of the manufacturers 10-year warranty should the mattress be returned to the issuing RV Care dealership AND to assure future customers that are purchasing a used RV are presented with full disclosure.
